## HOW TO DESIGN AND PLACE YOUR ORDER

At Porte Italia, we have tried to make the process of designing and ordering our furniture almost as much of a creative process for you as it is for us. To order from our catalog, simply follow the steps below. If your vision includes a custom design not found in our catalog, please contact us directly and we will create a work of art together.

1. Select the style of furniture and model number
2. Select the model frame and size
3. Select color from Base Color Options at beginning of catalog
4. Select decoration from Decorative Options at beginning of catalog
